IN AND FOR THE WESTERN DISTRICT OF WASHINGTON**

PAPER STREET MEDIA, LLC, a Florida  
limited liability company

Plaintiff,

vs.

MW Media, a foreign corporation,  
individually and d/b/a EPORNER.COM  
and EPRNCDN.COM; MARCIN  
WANAT, an individual and d/b/a  
EPORNER.COM and EPRNCDN.COM;  
MACIEJ MADON, an individual and d/b/a  
EPORNER.COM and EPRNCDN.COM;  
and John Does 1-20,

Defendants.

CASE NO. \_\_\_\_\_

**COMPLAINT FOR DAMAGES, INJUNCTIVE RELIEF  
AND DEMAND FOR JURY TRIAL**

Plaintiff, Paper Street Media LLC (hereinafter referred to as “Plaintiff” or “PSM”) by and  
through its counsel, file this complaint against Defendants MW Media, Marcin Wanat, Maciej

1 Madon, and the Doe Defendants (collectively hereinafter referred to as “Defendant” or  
2 “Defendants”).

3 **JURISDICTION AND VENUE**

4 1. Plaintiff Paper Street Media LLC is a Florida Limited Liability Company with it  
5 principal place of business in Miami, Florida.  
6

7 2. Defendant MW Media is a foreign civil law partnership operating out of  
8 Oświęcim, Poland. The partnership is made up of two persons, Marcin Wanat and Maciej  
9 Madon. MW Media owns and operates the web site Eporner.com and Eprncdn.com.

10 3. Defendant Marcin Wanat is a citizen of Poland, and an owner/partner of MW  
11 Media. Defendant Want is directly involved in the operation of the web site Eporner.com and  
12 Eprncdn.com.  
13

14 4. Defendant Maciej Madon is a citizen of Poland, and an owner/partner of MW  
15 Media. Defendant Madon is directly involved in the operation of the web site Eporner.com and  
16 Eprncdn.com.

17 5. Defendant John Doe is an owner/partner of MW Media or an agent of MW Media  
18 involved in the operation of MW Media and Eporner.com and Eprncdn.com.

19 6. The Eporner.com domain name is held by WhoisProxy.com, using registrar Key-  
20 Systems GmbH. WhoisProxy.com is a U.S. corporation located in Alexandria, Virginia. Key-  
21 Systems GmbH is a German corporation with offices in Leesburg Virginia.  
22

23 7. The actual identity of all owners and operators of the Eporner.com domain name  
24 and/or its registrar are currently unknown as they are using WhoisProxy.com to shield  
25 themselves.  
26

1           8.       The Eprncdn.com domain name is held by Domains By Proxy, LLC using registrar  
2 GoDaddy.com, LLC. Domains By Proxy, LLC and GoDaddy.com, LLC are Arizona corporations  
3 with headquarters located in Scottsdale, Arizona.

4           9.       The actual identity of all owners and operators of the Eprncdn.com domain name  
5 is currently unknown as they are using Domains By Proxy, LLC to shield themselves.  
6

7           10.      Defendant MW Media is listed with the United States Copyright Office as the  
8 owner and operator of Eporner.com, with a listed address in Hong Kong. However, upon  
9 information and belief, that address is a straw address, with operations actually located in Poland.

10          11.      Although MW Media is represented with the U.S. Copyright Office as the owner  
11 and operator of Eporner.com, the fact that the identity of the registrar is protected through a  
12 privacy service means that it is likely another party, John Doe, is also involved in the operation  
13 of the site.  
14

15          12.      Defendants MW Media, Wanat, Madon, and Doe anticipate and/or expect  
16 notification from United States Copyright holders, registered Eporner.com as an Internet Service  
17 Provider and contracts with Incorporate Now, Inc., a Florida company, for services as a DMCA  
18 Registered Agent to accept notifications of infringement for Eporner.com.

19          13.      Defendants knowingly and purposefully market to the entire United States,  
20 including residents of this District.  
21

22          14.      Defendants have direct and indirect contractual relationships with United States  
23 entities and vendors, each with purpose of reaching United States Internet users.

24          15.      Defendants utilize at least one server in Canada for purposes of efficient,  
25 effective, and fast display to United States Internet users.  
26

1           16. Defendants utilized Eprncdn.com (from the Canadian server) to serve and display  
2 videos on Eporner.com to United States Internet users. Eprncdn.com is registered with  
3 GoDaddy.com, a United States company.

4           17. United States Internet users make up the largest market for Eporner.com.  
5 According to Similarweb.com, an industry trusted web site analytics company, between August  
6 2016 and February 2017, Eporner.com averaged approximately 30 million users *per month*. Of  
7 these users, the United States made up the largest market at 15.92%, with the next largest market  
8 as Germany at 7.95%.

9           18. Operators and/or owners of Internet web sites, earning money directly from the  
10 volume and quality of Internet traffic visiting the site, are aware of and are purposeful in the  
11 geographical location of the Internet traffic being directed and/or purchased to and for the site.  
12 The United States market is the most valuable Internet traffic in the world, thus revenue  
13 generated for selling advertisement to the U.S. market is the largest in the world. Therefore,  
14 owners and operators of Internet web sites that generate revenue from advertising on their web  
15 sites purposefully direct the site and market to United States Internet users. Eporner.com is such  
16 a web site.

17           19. Defendants utilize a “webmaster” program where independent contractors termed  
18 “affiliates” receive payment for directing Internet traffic to Eporner.com. Based on information and  
19 belief, Defendants contract with affiliates in the United States and this District. Defendants or  
20 Defendants’ agents compensate the affiliate through PayPal, a United States company.

21           20. Defendants offer live web cam services to its users on a paid basis from  
22 Chaturbate.com. Based on information and belief, the operators of Eporner are paid as an affiliate  
23  
24  
25  
26

1 based on the number of sales they generate to Charturbate.com. Charturbate.com is owned and  
2 operated by Multi Media LLC, a company based in Lake Forest, California.

3 21. The Court has personal jurisdiction over the Defendants, who have engaged in  
4 business activities in and directed to this district, and have committed tortious acts within this  
5 district or directed at this district.

6 22. Any alien defendant is subject to jurisdiction in any district. See 28 U.S.C. 1391  
7 (“An alien may be sued in any district.”) See also Fed. R. Civ. P. 4(k)(2).

8 23. This Court has subject matter jurisdiction over Plaintiff’s federal claims pursuant to  
9 17 U.S.C. § 101 et seq., 28 U.S.C. §1331 and 28 U.S.C. §1338.

10 24. Venue is appropriate in this District pursuant to 28 U.S.C. § 1391(b) and/or (c).

11 25. This Court has personal jurisdiction pursuant to 28 U.S.C. §§ 1391(b), (c) and/or (d)  
12 and 28 U.S.C. § 1400(a).

13  
14  
15 **PARTIES**

16 26. The named Plaintiff is the rightful copyright, trademark and intellectual property  
17 owners of the respective United States copyrights, trademarks and intellectual property that are the  
18 basis for this action.

19 27. Plaintiff Paper Street Media, LLC (“PSM”) is a Florida limited liability company  
20 with its principal place of business in Miami, Florida.

21 28. PSM produces adult audiovisual material, which it distributes through DVD sales,  
22 pay-per-view, and the World Wide Web through its 25-paid membership based web sites operating  
23 under its known brands, including “TeamSkeet,” among others.

24 29. PSM directly employs 28 full-time people, with the majority of those being  
25 technical, programming, and white-collar positions.  
26

1           30.     PSM engages in extremely limited licensing of its content to other entities or  
2 websites for viewing, in addition to the small sample of promotional materials provided to their  
3 affiliates for the sole purpose of those affiliates' promoting PSM properties. Any licensing is done  
4 with the intent for brand exposure and is limited to a small subset of hand-selected content.  
5 Predominantly, the PSM business model is simply that a user must be a paid member of PSM to  
6 view PSM's non-promotional videos.  
7

8           31.     PSM holds over 350 U.S. registered Copyrights for its audiovisual work and 5  
9 Trademarks for its brands, including for all works listed in this Complaint.

10          32.     Plaintiff is the respective producer, distributor, and exclusive licensor of its own  
11 motion pictures in the United States as well as throughout the world.

12          33.     Plaintiff has registered with the United States Copyright Office the copyrighted  
13 works identified in this Complaint. Plaintiff's watermark their videos with Plaintiff's readily  
14 identifiable site names and/or logos and place recorded warnings at the beginning of video  
15 productions.  
16

17          34.     Plaintiff's "Team Skeet" trademark and service mark has been continuously used in  
18 commerce since August 2012. U.S. Trademark Registration No. 4323869 was registered on April  
19 23, 2013.  
20

21          35.     Plaintiff has expended considerable effort and expense in promoting its trademark  
22 and the goods sold under the trademark Team Skeet. As a result, the purchasing public has come to  
23 know, rely upon and recognize the mark Team Skeet as an international brand of high quality adult  
24 entertainment.

25          36.     The production of pornography is one of the most scrutinized and policed legal  
26 enterprises in the country, where state, local and federal regulations all require manufacturers and

1 distributors of such works to comply with a myriad of laws and record keeping rules. Producers  
2 navigate the various legal requirements at great expense in order to remain compliant, carefully  
3 building government-required databases that must be maintained for inspection even beyond the life  
4 of the company. Plaintiff has meticulously complied with the various laws, rules, and regulations  
5 imposed upon production of legitimate adult entertainment. Legitimate producers do not “make”  
6 anyone do anything – only consenting adults participate. Both men and women participate in front  
7 of and behind the camera at jobs that require real skill and dedication. The Plaintiff only sells its  
8 final product to consenting adults through age-restricted channels.  
9

10 37. Defendant MW Media is the owner and operator of Eporner.com, and is listed as  
11 such with the United States Copyright Office. MW Media is a foreign civil law partnership, with  
12 two partners, Marcin Wanat and Maciej Madon.  
13

14 38. Defendant Marcin Wanat is one of the partners of MW Media, owner of  
15 Eporner.com. Wanat is an operator of Eporner.com.

16 39. Defendant Maciej Madon is one of the partners of MW Media, owner of  
17 Eporner.com. Madon is an operator of Eporner.com.

18 40. Defendant John Doe is an owner and/or operator of Eporner.com, and likely a  
19 partner in MW Media. Doe’s identity is currently hidden through the use of privacy protection  
20 services.  
21

22 41. John Doe Defendants’ are the owner’s and/or operators of Eprncdn.com. Doe’s  
23 identities are currently hidden through the use of privacy protection services.

24 42. Defendants compete against Plaintiff in the distribution and sale of adults-only  
25 audio-visual works through Internet distribution and divert potential customers from Plaintiff.  
26

1           43. Further, upon information and belief, Defendants directly financially benefit  
2 collectively or individually, from advertising revenue on Eporner.com. The presence of high  
3 quality and lengthy infringing videos by and/or through Eporner.com contributes to users returning  
4 to the site and thus the overall growth of its audience; that, in turn, allows the Defendants to  
5 command higher advertising rates and generate higher advertising revenue.  
6

7           44. Defendants fail to honor take down notices delivered to their appointed DMCA  
8 Agent.

9           45. Defendants fail to implement a reasonable repeat infringer policy for repeat  
10 infringers on Eporner.com.

11           46. Defendants fail to qualify for safe harbor protections for copyright infringement  
12 liability under the Digital Millennium Copyright Act.  
13

14           47. Does 1-20 are individual or entities that own Eporner.com and/or act in concert with  
15 Eporner.com. The true names and capacities of which are presently unknown to Plaintiff. It is  
16 for that reason Plaintiff sues these Defendants by fictitious names. Plaintiff avers that each of the  
17 Doe defendants, along with the named defendant, jointly or severally, is responsible for the  
18 damages alleged herein.  
19

20                           **STATEMENT OF FACTS**

21           48. Congress' implementation of safe harbor provisions in the Digital Millennium  
22 Copyright Act ("DMCA") provides true internet service providers with protection against liability  
23 for copyright infringement resulting from the actions and/or postings of their users. As a primary  
24 example, the safe harbor protections provide YouTube.com with protection from liability should  
25 one of its users post a copyright protected video without authority or license.  
26

1           49.     The DMCA safe harbor provisions have been systematically abused by internet  
2 copyright infringers in an attempt to garner protection for websites displaying copyrighted adult  
3 entertainment content without license or authority for free viewing to the public. Commonly, these  
4 websites attracted Internet user attention through the combination of offering free viewing of  
5 copyrighted materials and the unauthorized use of trademarks, providing the user a road to the free  
6 website through the use of these marks.  
7

8           50.     Eporner.com is such a pirate website, displaying copyrighted adult entertainment  
9 content without authorization or license.

10          51.     Defendants registered the Eporner.com domain name on or about April 8, 2008.  
11 The current registrar of the domain name is Key-Systems GmbH, a domain name registrar located  
12 in Germany.  
13

14          52.     As Defendants were and are aware that they use the Eporner.com web site to infringe  
15 upon the rights of Plaintiff, and other content producers, they have utilizes a privacy service in an  
16 attempt to hide their identities.

17          53.     The hosting company used by the Defendants for Eporner.com is Leaseweb,  
18 headquartered in Amsterdam, the Netherlands, with datacenters located in California, New Jersey,  
19 Texas, Illinois, Georgia and Seattle, Washington. Though Eporner can state on their WHOIS  
20 information page that they are using Leaseweb in the Netherlands, this does not mean that the  
21 content and services are actually in the Netherlands but rather, the company Leaseweb is in the  
22 Netherlands. Further, Eporner is also using OVH for content delivery services. OVH is based in  
23 Montreal, Canada.  
24

25          54.     Eporner.com operates as a mega-theater displaying content of Plaintiff and other  
26 content producers free of charge to the user and with no compensation to Plaintiff or other content

1 producers. Defendants generate significant revenue through Epornier.com solely through the sale of  
2 advertising space on the pages of the web site. More traffic generated on Epornier.com means more  
3 revenue generated through sale of advertising space.

4 55. Epornier.com's popularity rests heavily on the quality, desirability, and length of the  
5 infringing content found on the site. Defendants make from Epornier.com is a result of the  
6 infringing content found on the site, content belonging to Plaintiff and other content producers.

7 56. Defendants purport Epornier.com to be a forum for Internet users to post and share  
8 their own original content, or content which they have intellectual property rights. However, in  
9 direct contradiction of this purported purpose, most (if not nearly all) of the content on Epornier.com  
10 consists of infringing copies of obviously copyrighted works, including those of Plaintiff. Profit  
11 Defendants earn through Epornier.com is, at least in a substantial part, the result of the infringing  
12 content displayed on the site, content belonging to Plaintiff and other content producers.

13 57. Typically, video hosting sites (for example, YouTube.com) require users to create an  
14 account in order to post videos, including an email address and user name. The videos thereafter  
15 posted are then associated with the respective user name.

16 58. However, Defendants do not present user names associated with respective user  
17 uploaded videos. Thus, it is impossible for a content producer to track which users are posting  
18 videos in violation of the producers' copyrights and those users can post with minimal fear of being  
19 identified by the intellectual property owner.

20 59. While the Terms of Service state that user information will be provided to content  
21 producers upon discovery of infringing activity, Defendants actually hide behind purported Polish  
22 privacy laws when asked to do so.

1           60. Users of Eporner.com are permitted to post videos anonymously. A user may sign  
2 up for an account to post without providing any actual information, including a valid email address.  
3 The user is merely required to make up a user name and password.

4           61. Plaintiff has documented instances whereby content that was previously subject to a  
5 DMCA notice was removed and then reposted days later using the exact same content, sample  
6 pictures, and length added back and made available on the Eporner website.  
7

8           62. When a video streaming site like Eporner.com is first started, it is at its most fragile  
9 state, as the website contains no content and thus there is no value for any end user to visit the  
10 website. The proverbial question is how does a new site acquire it's initial content, which in turn  
11 gives users a reason to visit and return to the website in order to capture an audience. On a website  
12 like Eporner.com, users can post content and the owners/operators can also post content on the  
13 website.  
14

15           63. At the inception of Eporner.com, the website exclusively featured short, promotional  
16 videos on Eporner.com. All the videos were 10 minutes in length or significantly less.

17           64. At a certain point, the website (almost over night) became full-length videos, and  
18 short clips for the most part ceased. Upon information and belief, these full-length videos were  
19 posted by Defendants or agents of Defendants at the direction of the Defendants.  
20

21           65. Even though the website audience (and therefore the uploaders) are purportedly  
22 made up of a diverse group of countries, every title is written in the same language (English), in a  
23 similar format and an overwhelming majority of the videos have the very same punctuation (every  
24 letter of the descriptive title perfectly capitalized). There is simply little to no variance in the way  
25 the videos are titled.  
26

1           66. Defendants themselves upload, review, and/or title the infringing videos to  
2 Eporner.com. In fact, the site's upload page confirms this when it states "[e]very day **we** are adding  
3 dozens of new porn videos and photos." (Emphasis added).

4           67. It is well known in the industry of Internet adult entertainment that full-length scenes  
5 or full-length videos displayed free are done so without authority or license from the content  
6 producer and/or copyright holder. Videos provided for promotional use are not full-length but rather  
7 teasers edited similar to that of a mainstream Hollywood Film Trailer providing enough to draw you  
8 into a paid theater on or offline without showing you all.

9           68. Almost all full-length videos contain branding and logos from the studios whom is  
10 the copyright holder. It is *standard industry practice* in the online adult industry to display an  
11 introductory animation with the studio or website name, a similar animation at the very end of the  
12 video, as well as the website/studio name URL watermarked in the corner of the video on every  
13 frame of every second of the video while it is played to further identify the copyright holder or the  
14 original source of the video. These watermarks also serve as clear, conspicuous, and obvious  
15 copyright notices. For example, a video from Playboy will clearly be identified as Playboy material  
16 throughout the video clip.

17           69. On Eporner.com, beneath the preview image for each video, the site displays the  
18 number of views, the average user rating, and the length of the video in minutes and seconds.

19           70. The longer and/or more desirable a video is, the more views it gets on Eporner.com,  
20 as Internet visitors know that they are full-length videos and not promotional materials. Full-length  
21 scenes and videos generate more revenue for Defendants.

22           71. Defendants' revenue generated from the advertisements is based upon the number of  
23 ads displayed and/or the number of visitors the advertisements direct to the advertisers' websites.  
24  
25  
26

1           72. Defendants' infringing activity leads to increased Internet traffic on Eporner.com and  
2 thus increases advertising revenue, as increased volume of Internet traffic increases both the amount  
3 of advertisements displayed to the users of its service and the rates that the Defendants charge for  
4 displaying the advertisements.

5           73. Defendants categorize videos found on Eporner.com under the terms "Full HD  
6 Porn," "FPS Porn," or "Full HD," and marks videos that fall under these categories with a special  
7 identified visible on the preview image of the video. Defendants, rather than users of Eporner.com,  
8 add these special identifiers to the videos.

9  
10           74. Defendants incentivize users and third parties to display copyrighted content without  
11 authority on Eporner.com through a "webmaster" program. Webmasters, or "affiliates," are paid  
12 money by Defendants, through a United States company PayPal, to send Internet traffic to  
13 Eporner.com. Third Party Webmasters will populate their own website with links to materials on  
14 Eporner.com as it benefits a webmaster to post and share popular high quality infringing content  
15 from Eporner.com, such as Plaintiffs, and then advertise the videos on their own sites, linking  
16 Internet users to Eporner.com as Eporner.com will pay them for doing so.

17  
18           75. Videos on Eporner.com may be shared by the user with others, regardless of whether  
19 they have uploaded a video to the site, as the user is provided with direct links for posting on or to  
20 any social media site including, but not limited to, Facebook, Twitter, Google or via to Email to  
21 anyone regardless of age or location. Such functionality makes it impossible to know how many  
22 times and where an unlicensed copyrighted video has been posted and displayed illegally as a direct  
23 result of Defendants unlawful display.

24  
25           76. At all times relevant to the infringing conduct alleged herein, Eporner.com failed to  
26 fulfill the requisite conditions precedent to qualify for the safe harbor provisions of the DMCA.

1           77. Defendants purport to have a repeat infringer policy, purportedly terminating a user  
2 if Epornet.com receives “three good faith and effective complaints within any contiguous six month  
3 period”. Such a limited policy is not reasonable and ineffective, especially considering the failure  
4 to require any actual information for users – a user that maybe terminated can simply, easily, and  
5 immediately create a new account without detection. Moreover, since Defendants fail to associate a  
6 posted video with a particular user, it is virtually impossible for content producers to track users  
7 repeatedly posting their content.  
8

9           78. Upon information and belief, Defendants make no actual or effective effort to  
10 enforce a repeat infringer policy.

11           79. In or about November 2016, and for an unknown time before, Defendants’ website  
12 Epornet.com displayed 36 of Plaintiff’s copyright registered works over 38 separate and distinct  
13 URLs - each a part of Epornet.com. Defendants have no authority or license to display or  
14 distribute any portion of Plaintiffs’ copyrighted works. Attached hereto as Exhibit A is a list of all  
15 Plaintiff videos displayed on Defendants’ website, subject to DMCA notices, and corresponding  
16 copyright registration numbers.  
17

18           80. On or about November 22, 2016, Plaintiff, or an authorized representative of  
19 Plaintiff, delivered to Defendant’s DMCA Agent DMCA compliant take down notices for each of  
20 the registered works.  
21

22           81. In or about January 2017, Defendants’ website Epornet.com continued to display  
23 copyright registered works on the same URLs as were subject to the November 2016 DMCA  
24 compliant take down notices. Some of the material Plaintiff had noticed was removed, while other  
25 material was left online and the notices were ignored.  
26

1           82.     On or about January 18, 2017, Plaintiff, or an authorized representative of Plaintiff,  
2 delivered to Defendant's DMCA Agent subsequent DMCA compliant take down notices for each of  
3 the registered works, including 14 notices that were second notices from the November 2016  
4 notices delivered.

5           83.     On or about January 26, 2017 and February 1, 2017, Plaintiff, or an authorized  
6 representative of Plaintiff, delivered to Defendant's DMCA Agent subsequent DMCA compliant  
7 take down notices for each of the registered works, including videos that were reposted as *exact*  
8 *matches* to videos that were previously noticed but supposedly taken down. Instead, Defendants  
9 merely repositioned the videos on Eporner.com.  
10

11           84.     In other instances, the Plaintiffs' notice Eporner of infringing videos only to have  
12 those same videos reappear on the Eporner.com and Eprncdn.com site within a day or week of  
13 Eporner.com removing the same videos.  
14

15           85.     The operations of the website render a copyright holder's ability to police its  
16 copyrights on Eporner.com futile.

17           86.     On receipt of *some* DMCA notices delivered by Plaintiff, Eporner did respond to  
18 some of Plaintiff's takedown requests by disabling access to stream those videos on the reported  
19 URLs in the notices.  
20

21           87.     Eporner offers other websites the ability to "embed" their videos on their site. In  
22 essence, Eporner provides codes to other website owners to use on their site, which will display that  
23 video to their audience, while still being hosted on Eporner.com. By not deleting the videos  
24 permanently from the servers, the infringed videos went on to be distributed through the video  
25 embeds other sites. There is no reasonable explanation for why when a DMCA complaint is  
26

1 received and responded to, the infringed videos are not actually deleted from the servers  
2 permanently, and purged from storage.

3 88. Further, upon information and belief, videos that are posted on Epornier.com are not  
4 uploaded by unrelated third party users, but by Defendants themselves or by persons employed by  
5 or contracted with Defendants for purpose of uploading content to the web site.

6 89. Upon information and belief, Defendants have actual knowledge and clear notice of  
7 the infringement of Plaintiff's titles or else is willfully blind to the rampant infringement. The  
8 infringement is clear and obvious even to the most naïve observer. Plaintiff's films are indexed by  
9 the Defendants (meaning organized in such a way as to be searchable and easily found by specific  
10 information including, but not limited to, specific model names), displayed and distributed on  
11 Defendants' website through Defendant and the Doe Defendants acting in concert. Defendants'  
12 indexing is based upon Plaintiff's and other major producers' trademarks, which shows knowledge  
13 and intent.  
14

15 90. By virtue of the conduct alleged herein, Defendants knowingly promote, participate  
16 in, facilitate, assist, enable, materially contribute to, encourage, and induce copyright infringement,  
17 and thereby have infringed, secondarily infringed, and induced infringement by others, the  
18 copyrights in Plaintiffs' copyrighted work.  
19

20 91. Defendants, either jointly, severally, actually, constructively, and with or without  
21 direct concert with one another, deprived Plaintiffs of the lawful monetary rewards that accompany  
22 its rights in the copyrighted works. Defendants disregard for copyright trademark laws threaten  
23 Plaintiff's business.  
24

25 92. Defendants intentionally, knowingly, negligently, or through willful blindness  
26 avoided reasonable precautions to deter rampant copyright infringement on their website, while

1 exercising the right and authority to control and end such infringement. Defendants do this for their  
2 own financial gain and benefit.

3 93. Defendants make no attempt to identify any individual providing the works, where  
4 the individual obtained the works, whether the individuals had authority to further reproduce and  
5 distribute the works or if such parties even exist.

6  
7 94. Defendants' acts and omissions allow them to profit from their infringement while  
8 imposing the burden of monitoring Defendants' website onto copyright holders, without sufficient  
9 means to prevent continued and unabated infringement.

12 **COUNT I**  
13 **Copyright Infringement – 17 U.S.C. §§ 101 et. seq.**  
14 **Against All Defendants (Owners/Operators of Eporner.com)**

15 95. Plaintiff repeats, re-alleges, and incorporates by reference paragraphs 1 through 84

18 97. Plaintiff registered each copyright with the United States Copyright Office.

19 98. At all pertinent times, Plaintiff is the producers and registered owner of the  
20 audiovisual works illegally and improperly reproduced and distributed by Defendants.

21 99. Defendants copied, reproduced, reformatted, and distributed Plaintiff's copyrighted  
22 works to Eporner.com by and through servers and/or hardware owned, operated and/or controlled  
23 by Defendants.

24  
25 100. Defendants did not have authority or license to copy and/or display Plaintiff's  
26 original works.

1           101. Defendants infringed Plaintiff's copyrighted works by reproducing and distributing  
2 works through Defendants' website Eporner.com without proper approval, authorization, or license  
3 of Plaintiff.

4           102. Defendants knew or reasonably should have known they did not have permission to  
5 exploit Plaintiff's works on Eporner.com and further knew or should have known their acts  
6 constituted copyright infringement.

7           103. Defendants made no attempt to discover the copyright owners of the pirated works  
8 before exploiting them. Defendants failed and refused to take any reasonable measure to determine  
9 the owner or license holder of the copyrighted works.

10           104. Defendants engaged in intentional, knowing, negligent, or willfully blind conduct  
11 sufficient to demonstrate they engaged actively in the improper collection and distribution of  
12 Plaintiff's copyrighted works.

13           105. The quantity and quality of copyright files available to Internet users increased the  
14 attractiveness of Defendants' service to its customers, increased its membership base, and increased  
15 its ad sales revenue.

16           106. Based on information and belief, Defendants actively uploaded and/or  
17 distributed pirated copyrighted files and/or embedded code, enabling users of Eporner.com to  
18 view copyrighted videos and images.

19           107. Defendants controlled the files owned by Plaintiff and determined which files  
20 remained for display and distribution.

21           108. Defendants never adopted procedures to ensure that distribution of Plaintiff's  
22 copyrighted materials would not occur. Further, Defendants never implemented or enforced a  
23 "repeat infringer" policy.

109. Defendants were either aware, actually or constructively, should have been aware, or were willfully blind that pirated copyrighted materials comprised the most popular videos on the Defendants websites.

110. Defendants, through Eporner.com, affirmatively and willfully accommodated Internet traffic generated by the illegal acts.

111. Defendants' conduct was willful within the meaning of 17 U.S.C. § 101, *et seq.* At a minimum, Defendants acted with willful blindness and reckless disregard of Plaintiff's registered copyrights.

112. Because of their wrongful conduct, Defendants are liable to Plaintiff for copyright infringement. See 17 U.S.C. §501. Plaintiff suffers and will continue to suffer substantial losses, including, but not limited to, damage to its business reputation and goodwill.

113. The law permits Plaintiff to recover damages, including readily ascertainable direct losses and all profits Defendants made by their wrongful conduct. 17 U.S.C. §504. Alternatively, Plaintiff is entitled to maximum statutory damages, pursuant to 17 U.S.C. § 504(c ), in the amount of \$150,000 with respect to each work infringed, or such other amounts as may be proper under 17 U.S.C. § 504(c ).

114. Because of Defendants' willful infringement, the law permits enhancement of the allowable statutory damages. 17 U.S.C. §504(c) (2).

115. The law permits Plaintiff injunctive relief. 17 U.S.C. §502. Further, the law permits a Court Order impounding any and all infringing materials. 17 U.S.C. §503.

WHEREFORE, Plaintiff Paper Street Media, LLC requests the following relief:

A. That Defendants, their agents, servants, officers, directors, employees, attorneys, privies, representatives, successors and assigns and parent and subsidiary corporations or other

1 related entities, and any or all persons in act of concert or participation with any of them, be

15

16 C. That Defendants be ordered to file with the Court and serve upon Plaintiff, within

11 116. Plaintiff repeats, re-alleges, and incorporates by reference paragraphs 1 through 105  
12 above and further states that:

14 works through Defendants' websites, directly infringing Plaintiff's copyrighted works.

15 118. Defendants contributed to the infringing acts of those individuals.

16 119. Defendants were aware, should have been aware, or were willfully blind to the  
17 infringing activity.

1 of copies of the Plaintiff's copyrighted works, and thus to the direct infringement of Plaintiff's  
2 copyrighted works.

3 123. Defendants received direct financial benefits from the infringements.

4 124. On information and belief, Defendants' actions constitute contributory infringement  
5 of Plaintiff's copyrights and exclusive rights under copyright in the Plaintiff's copyrighted works in  
6 violation of the Copyright Act, 17 U.S.C. §§ 106 and 501.  
7

8 125. The unauthorized reproduction, distribution, and public display of Plaintiff's

10 the acts described above are without Plaintiff's consent and are not otherwise permissible under the  
11 Copyright Act.

12 126. The acts of infringement by Defendants have been willful, intentional, and  
13 purposeful and in reckless disregard of and with indifference to Plaintiff's rights.  
14

15 127. As a direct and proximate result of the infringements by Defendants of Plaintiff's  
16 copyrights and exclusive rights under copyright in the Plaintiff's copyrighted works, Plaintiff is

3 138. Alternatively, Plaintiff is entitled to maximum statutory damages, pursuant to 17

3 disseminated Plaintiff's copyrighted works through Defendants' website.

4  
5 142. On information and belief, Defendants have encouraged through direct and indirect
